This index, prepared by Garnett Coad of the NSMR staff, encompasses November, 1975 through December, 1976 in order to include information on the 29th National Council meeting of the Society held Nov. 3, 1975. Future indexes will appear in the December issue. If you feel the format we have chosen is not adequate for your use, please let us know. Included after each entry are the month and year of publication.
